The process for enrolling in the Program is presented in this section. Advanced biofuel producers who expect to produce eligible advanced biofuels at any time during a fiscal year must enroll in the Program as described in this section.

(a) *Enrollment.* To enroll in the Program, an advanced biofuel producer must submit to the Agency a completed enrollment application during the applicable sign-up period, as specified in paragraph (b) of this section. An original, signed hard copy of the enrollment application must be submitted as specified in the annual FEDERAL REG-

If a participating producer fails to submit the enrollment application during a fiscal year's applicable sign-up period, the producer's contract will be terminated and the producer will be ineligible to receive payments for that fiscal year. Such a producer must reapply, and sign a new contract, to participate in the Program for future fiscal years.

(3) The producer must furnish the Agency all required certifications before acceptance into the Program, and furnish access to the advanced biofuel producer's records required by the Agency to verify compliance with Program provisions. The required certifications depend on the type of biofuel produced. Certifications specified in paragraphs (a)(3)(i) through (a)(3)(iv) of this section are to be completed and provided by an accredited independent third party.
